

## **REMARKS**

This Amendment is submitted in reply to the Non-Final Office Action dated December 23, 2010. Applicant respectfully requests reconsideration and further examination of the patent application pursuant to 37 C.F.R. § 1.111.

### **Summary of the Examiner's rejections**

Claim 33 stands rejected under 35 U.S.C. § 101 as allegedly being directed to non-statutory subject matter.

Claims 2-8, 10-20, 22-27, 29 and 31-32 are allowed.

### **Remarks regarding the §101 rejection**

Claim 33 stands rejected under 35 U.S.C. § 101 as allegedly being directed to non-statutory subject matter because the term "computer readable storage medium" is not explicitly defined in the specification as to whether the computer readable storage medium is non-transitory medium or not. Therefore, explicit recitation of the tangible non-transitory computer readable storage medium is requested for the claim 33. Per the Examiner's request, Applicant has amended the independent claim 33 to recite "a non-transitory computer readable storage medium". Accordingly, Applicant respectfully request the removal of the pending rejection and the allowance of the amended independent claim 33.

### **Allowable Subject Matter**

The Applicant gratefully acknowledges the allowance of claims 2-8, 10-20, 22-27, 29 and 31-32.

## **CONCLUSION**

In view of the foregoing remarks, Applicant believes all of the claims currently pending in the application to be in a condition for allowance. Therefore, Applicant respectfully requests that the Examiner withdraw all rejections and issue a Notice of Allowance for pending claims 2-8, 10-20, 22-27, 29, and 31-33.

The Commissioner is hereby authorized to charge any fees for this paper to Deposit Account No. 50-1379.

Applicant requests a telephonic interview if the Examiner has any questions or requires any additional information that would further or expedite the prosecution of the Application.

Respectfully submitted,

/William J. Tucker/
